BeBack
crossing & re-entry

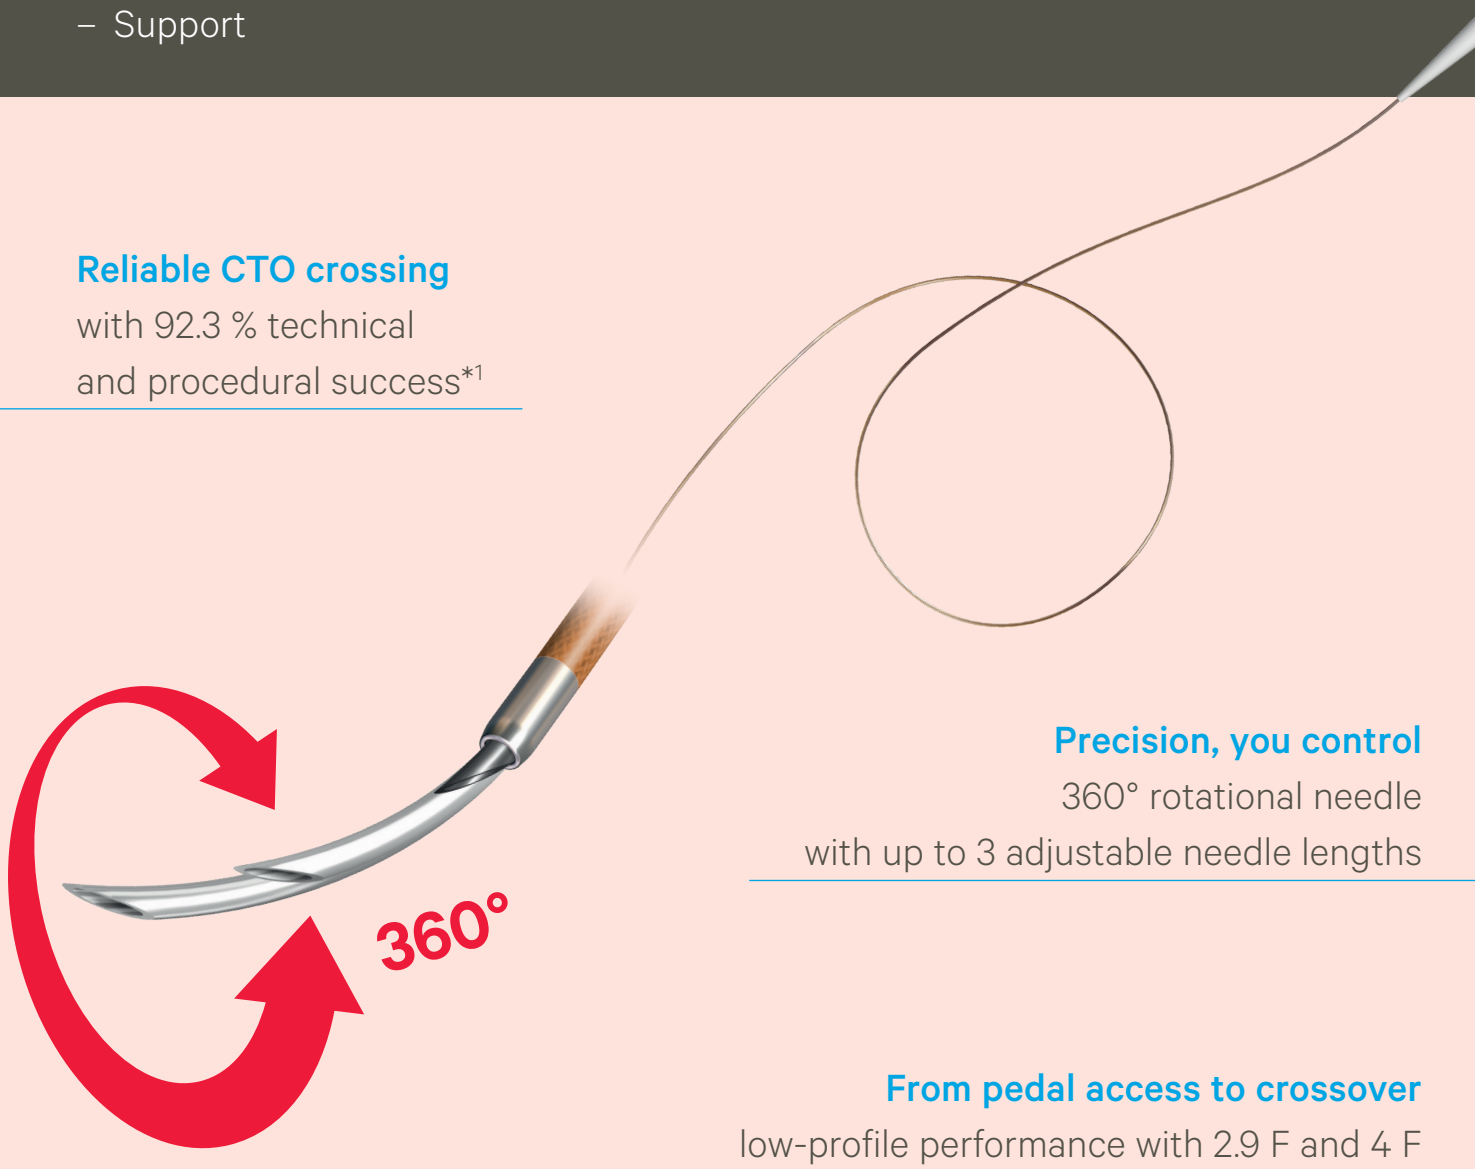
Bentley

More than just a re-entry catheter

The only catheter on the market that combines three essential functions:

- Crossing
- Re-entry
- Support



Reliable CTO crossing

with 92.3 % technical
and procedural success*[1]

Precision, you control

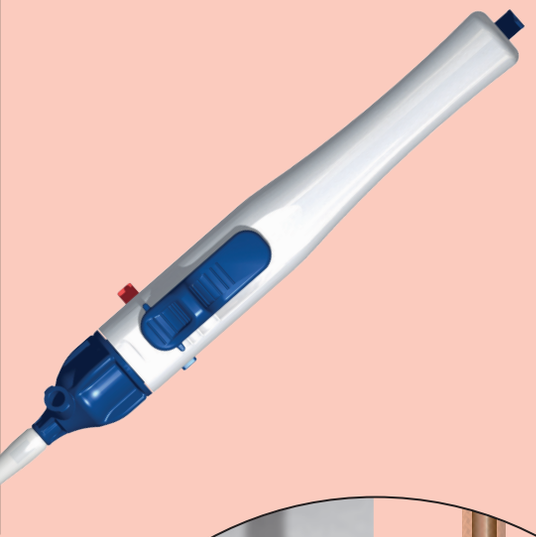
360° rotational needle
with up to 3 adjustable needle lengths

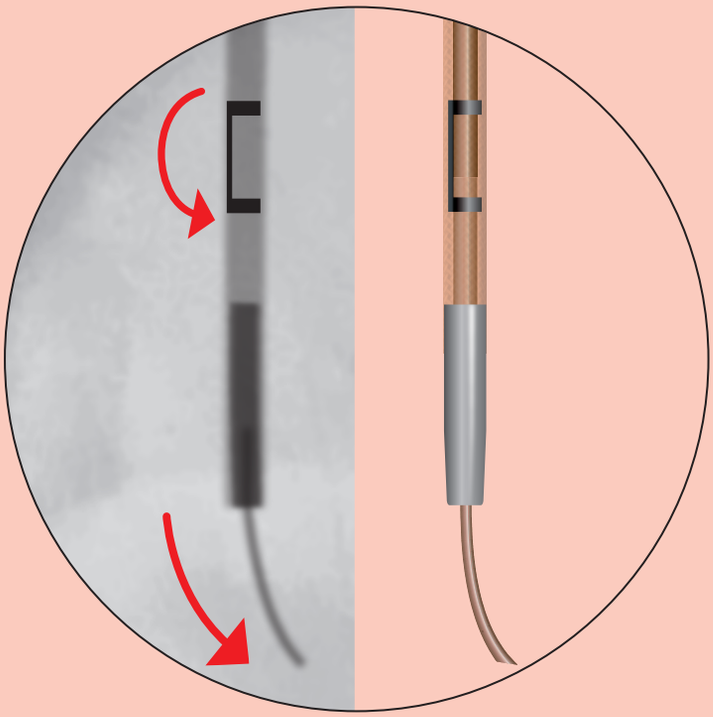
From pedal access to crossover

low-profile performance with 2.9 F and 4 F

*The GoBack/BeBack Crossing Catheter is the predecessor device of the BeBack Crossing & Re-Entry Catheter.

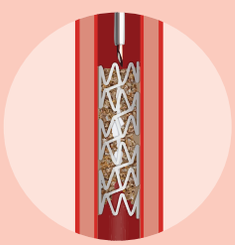
If plan **A** doesn't work...



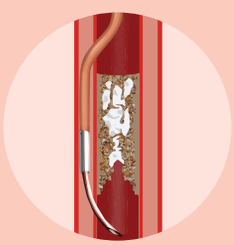


The opening of the C-shaped radiopaque marker indicates the needle direction.

Chronic total occlusion (CTO) crossing



In-stent restenosis



Subintimal crossing & re-entry

...move to plan BeBack

Product specifications

	BeBack Crossing & Re-Entry Catheter 2.9 F	BeBack Crossing & Re-Entry Catheter 4 F
Introducer sheath compatibility	2.9 F 5 F for crossover	4 F 6 F for crossover
Guide wire	0.014”	0.018”
Catheter length	80 cm / 120 cm	
Material needle	Nickel-Titanium alloy (Nitinol)	
Length needle	3 mm (straight) 7 mm (curved)	3 mm (straight) 7 mm (curved) 11 mm (curved)
Profile needle	23.8 gauge	21.5 gauge
Rotation	360°	
Marker	Radiopaque C-shaped marker	

[1] Cohen I, Raskin D, Barash Y, et al. Performance of BeBack crossing catheter in chronic total occlusion in patients with chronic limb-threatening ischemia: a single-center experience. J Endovasc Ther. 2023;17:15266028231204264. Doi: 10.1177/15266028231204264 (E-pub. ahead of print).

Indication

The BeBack Crossing & Re-Entry Catheter is indicated for use in conjunction with guide wires to pass occluded regions of the peripheral vasculature. It may be used to facilitate placement and exchange of guide wires.

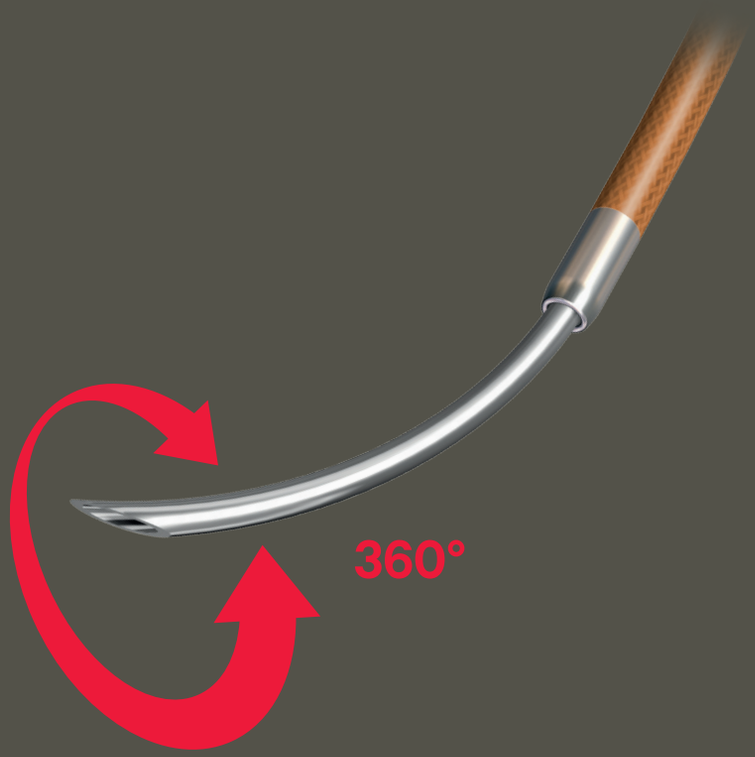
Ordering information

BeBack Crossing & Re-Entry Catheter		
2.9 F	80 cm	GB 603 014P 80L
2.9 F	120 cm	GB 603 014P 120L
4 F	80 cm	GB 600 018P 80L
4 F	120 cm	GB 600 018P 120L



Be innovative

We focus on the development of unique products and strive to find creative answers to questions posed by the healthcare industry

Be dedicated

A marked customer focus and compliance to international standards help us to uphold unsurpassed quality in products and services

Be responsible

We care for better health, our region and the environment. Every member of our team is motivated to make a vital contribution to the quality of life

Be effective

We strive for time- and cost efficient solutions to satisfy the versatile interests of our customers and patients worldwide
